Hi Jim,

Next Wed. at 11:30am would work for me. Let me know if that would be good.

Also, attached please find the July 2014 letter (and 2 enclosures) we sent to CA agencies on the Class II UIC program.

Regards,
David

David ... I found a link to a June 2014 GAO report that appears to be the one your referenced. Also, when you can, I'd like to schedule another call with you. I'm clear most of tomorrow and Friday, as well as next Tuesday and Wednesday.

Appreciate your help,
